Welcome to Wightwick Hall School

Dear Pupils, Parents, Carers and Visitors,

I am delighted to welcome you to Wightwick Hall School, where we strive to create a nurturing and inspiring environment for all our pupils. As the headteacher, it is my privilege to lead a dedicated team of staff who are committed to fostering a love of learning and helping each pupil reach their full potential.

This year, we are thrilled to have continued our growth by welcoming a number of new staff and pupils into our vibrant community. Their diverse talents and perspectives enrich our school environment, making it an even more dynamic place for learning.

We are excited to share that we have developed several areas of the school into well-resourced and welcoming spaces. These enhancements provide our pupils with comfortable environments where they can settle in, explore their interests, and engage in meaningful learning experiences.

At Wightwick Hall School, we believe that education is not just about academic achievement; it is also about developing the whole child. We encourage our pupils to explore their interests, embrace challenges, and build lasting friendships. At Wightwick Hall School, we embrace the motto "Be Curious and Thrive, Together." We value the partnership between school and home, and I encourage open communication with parents and guardians. Together, we can support our pupils in their educational journey and help them become confident, responsible, and compassionate individuals.

Our dedicated team is committed to fostering a supportive atmosphere where every pupil can thrive to reach their potential in their learning, socially, and emotionally. We believe that by working together—pupils, staff, and families—we can create a nurturing community that encourages curiosity and personal growth.

Thank you for being a part of Wightwick Hall School. We look forward to an exciting year ahead filled with discovery, collaboration, and achievement.

Warm regards,

Ceri Rowley
Headteacher
