15th September 2026

Dear Parents and Carers,

We are writing to inform you of a change to our school calendar for the 2026-27 academic year.

Following approval by the Trust Board, all schools within our Trust will participate in a Trust-wide Professional Development Day on Friday 12 February 2027. As a result, the school will be closed to all pupils on this date.

This additional staff training day will bring together colleagues from across our seven schools to take part in professional development activities designed to further enhance teaching, learning and support for all pupils across the Trust. As an Academy Trust, we have the flexibility to designate additional professional development days where these will directly support the continued improvement of teaching, learning and provision for our pupils.

We are providing this information well in advance to help families make any necessary arrangements. Please note that **Friday 12 February 2027** will now be an INSET Day and pupils should not attend school on this date.

School calendars and other published information will be updated accordingly. Thank you for your understanding and continued support.

Kinds regards,

Gail Brindley
