INCLUSION

Wightwick Hall School offers all students an inclusive education and provides opportunities for students to undertake inclusion programmes or activities in other schools and in the local community where appropriate.

EQUAL OPPORTUNITIES

Wightwick Hall School is committed to promoting understanding of the principles and practices of equality and justice. We aim to equip students with an awareness of our diverse society and to appreciate the value of difference. We value each individual and promote opportunities for students to achieve the highest standards, having regard for individual circumstances and abilities. The curriculum is broad and balanced, enabling students to strive for and meet the highest expectations that we have for them.

Every member of the school is regarded as of equal worth and importance, irrespective of his/her creed, culture, class, race, gender, sexuality and/or ability/ disability.

Every effort is made to ensure equality of opportunity across the spectrum of school life.

Vision

To provide an inclusive education which inspires individuals to achieve.

Developing Life Skills through Ethical Business Education

Values

- Every student has the opportunity to access an enriched and differentiated curriculum.
- Every student's individual needs will be met to ensure they reach their full potential.
- Every student is valued and encouraged to grow as an individual.

School Aims & Objectives:

- To provide the best possible standards of teaching and learning
- To work with parents and pupils; to help our children at a level that meets their individual needs and capabilities, in a safe and caring environment
- To foster pride in individual and group achievement.
- To foster self-respect and to care for others.

To achieve these aims Wightwick Hall School endeavours to deliver a broad and balanced curriculum to all students regardless of gender, age, religion, race or ability. It recognises the importance of the National Curriculum and every student's entitlement to access it.

We will provide a curriculum which will develop each student's intellectual, social, creative, spiritual, moral and physical potential.
All students will have the opportunity to develop their communication skills through a range of systems.

Our objectives in delivering a broad and balanced curriculum are:-

All students will have access to all National Curriculum subjects.
Teaching is delivered in a structured systematic way to enable access to the curriculum for all abilities. Classrooms are organised to create the appropriate environment to enable learning to take place taking into account each students' individual needs.
There is an eclectic approach to the schemes of work that are accessed to meet the differing needs of our students.
The curriculum coverage is available to view on the school website

All students will have the opportunity to extend their learning at KS5 and access a variety of relevant courses. KS5 information regarding the wide range of courses can be viewed on the school website.

All students will have access to specialised support as required:
Speech and Language Therapists, Physiotherapists and Occupational Health Therapists
